5 SPRAWL PERFORMANCE T-SHIRT

The SPRAWL Performance Tees are designed for moisture management, comfort and durability. The polyester micro-venting system allows sweat to pass to the outer portion of the garment so it can evaporate keeping the athlete cooler and dryer than traditional tee shirts. Light stretch properties provide a comfortable fit and freedom of movement. These Performance Tees were designed to be versatile enough to wear for grappling, sparring, under gis, running and all manner of cross training. Their understated design also makes them viable as casual wear in hot weather conditions.

6 SPRAWL FUSION STRETCH SHORTS

The world's most advanced fight short! The new SPRAWL Fusion-S is our 6th generation fight short and is designed to fit securely where needed, yet allow unrestricted body movement when training or competing. This new SPRAWL short is comprised of the most advanced fabrics and technology and has a number of features that enhance fighter performance such as our new Channel Lock waistband - the first non-slip waistband that allows a full size range of adjustability. Our new Channel Lock system prevents the short from shifting during the most intense training sessions and matches, and will also allow you the freedom to rehydrate after a weight cut without worrying about your shorts not fitting. We have also streamlined the fit of this short to better conform to the athletes body while our lightweight 4-way stretch fabric provides unparalleled comfort, flexibility and durability. The Fusion fabric is treated to be sweat and blood repellent, as well as fungus resistant. The SPRAWL Fusion is so comfortable and durable that we will guarantee the fabric against rips for as long as you own them. We believe this is the last fight short you will ever need to buy.
