Congratulations Kyle!

Well Kyle here we are another Demo and you son testing for you 3rd Dan. Dad and I are very proud of you. A lot of hard work done on your own. You and a DVD all 8 forms on your own you should be very proud of yourself.

Last 3 years we spent a lot of time together driving to Saturday class and different locations so you can take class and teach all for your 3rd Dan.

But most of all, we are proud of how many people you have helped by being there at classes and doing what you love most...Tae Kwon Do.

After Keystone games most kids your age would have stepped down after taking what you did. But not you son. You learned so much that day. When you went out on the floor to get your 3rd place medal you held your head high. You son would do it all over again in a heartbeat.

That is what makes you the person you are...a good one!

Keep up all your good work. You are on your way to bigger and better places.

We love you.

Congratulations Julia Hagen!

"...the one quality all successful people have is persistence. They're willing to spend more time accomplishing a task and to persevere in the face of many difficult odds. There's a very positive relationship between people's ability to accomplish any task and the time they're willing to spend on it."

-- Dr. Joyce Brothers

Dear Friends

I would like to take the opportunity to welcome all our honored guests, The YMCA's of Central Pennsylvania, Families, Students, and Friends in the 2011 Black Belt Promotions and Tigers Demo. Your Help and Support have made this years event a special one.

I am very proud of all our students and especially those who are participating in this years testing and Exhibition. Their dedication and loyalty have strengthened the bond we share, and they are an asset to the art of Taekwondo. I wish to thank anyone who has participated.

Lastly, I would like to take the opportunity to wish the students who are testing for black belt and advanced degrees this year...best wishes to you. You have proved with your hard work and self-discipline that you are worthy of the belts you have earned.

Again, thanks to all!

Sincerely,
