Dear Friends

I would like to take the opportunity to welcome all of our honored guests, The Citizens of Central Pennsylvania, Families, Students, and Friends in the 2013 Black Belt Promotions and Tigers Exhibition. Your Help and Support have made this years event a special one.

I am very proud of all our students and especially those who are participating in this years Promotions and Exhibition. Their dedication and loyalty have strengthened the bond we share, and they are an asset to the art of Tae Kwon Do. I wish to thank everyone who has participated.

Lastly, I would like to take the opportunity to wish the students who are testing for Black Belt and advanced degrees this year...best wishes to you. You have proved with your hard work and self-discipline that you are worthy of the belts you have earned.

Remember, the South Korean Kukkiwon and WTF consider Black Belt to be the beginning and not the end...keep training and achieve great things!

Again, thanks to all!

Sincerely,

The Kirby Family

We are extremely "Proud" of you and honored to be your parents and grandparents.

Alex Serrano,

We are so proud of you! Through Tae Kwon Do, you have learned many values, built your character and understand the importance of commitment and dedication. Regardless of how well you perform the physical aspects of TKD, the non-physical TKD parts will stay with you forever.

In many families, it's the parents that teach and instill values and responsibilities to their children. In our family, it's the complete opposite and we thank you for that. As we've thoroughly enjoyed watching your class and tournament participations, you have reminded us the power of commitment and hard work. As you carry on your TKD journey, our wish to you is that you continue to try new TKD techniques and inspire others. Regardless of the outcome, success = trying + commitment + hard work.

Today, you have achieved a commendable representation of your hard work and we look forward to the many accomplishments to come. We fully support your TKD goals (just keep up the good work at school!)

Love,  
Mom & Dad
